Control Location	Hidden,Top	Door Style	Flat
Sensor	Yes	Rack Material	Nylon
Status Light	White	Number of Wash Levels	5
End of Cycle Signal	Yes		

Skip the soaking and scrubbing with Dual Power Filtration, a dishwasher filtration system that disintegrates any food in its path. Maytag® dishwashers with Heated Dry reduce excess moisture so dishes come out dry, while a full stainless steel tub is tough enough to handle high heat for years. Plus, ENERGY STAR® certified dishwashers help save money on utility bills.

- Top Features
- Dual Power filtration
- PowerBlast® cycle
- Heated Dry
