Nuvella Fabric Features:

- Nuvella upholstery features dyed synthetic fibers created by the dye being added to the molten polymer and extruded into colored fibers resulting in a 100% penetration of color into the fibers to insure Color Fastness & Anti-Fading
- Fabric yields high performances for stain resistance, colorfastness to light and Increased abrasion making this excellent for high traffic areas
- Fabric is easy to clean allowing the consumer to clean the material with a solution of bleach & water without worrying about a stain or fading issue
- Fabric meets or exceeds ALL standardized testing requirements for normal household upholstery products
- Features a much smaller environmental impact due to the solution dye process not generating waste water and featuring 100% recyclable fiber.
